

# THE RM OF ROSEMOUNT NEEDS YOUR INFORMATION!

The RM of Rosemount is setting up a public information program. This will allow the RM to send out messages via cell phone or email. This program will mainly service the residents of Rosemount but anyone who wishes to sign up is welcome to provide their contact information as well.

Messages will provide information on Road Bans, Road Closures, Fire Bans, Emergency Situations or anything that might pertain to ratepayers.

Please return this form with your information and preferences. Please indicate if you prefer text email or both:

Name: \_\_\_\_\_

Cell Number: \_\_\_\_\_ - use this method    Y   N

E-Mail Address: \_\_\_\_\_ - use this method    Y   N

This information goes hand in hand with another project the RM is working on... A regional Emergency Measures Plan is in progress and we are working with the Biggar Rural District Fire Association to prepare a working document to cover Rosemount in the event of any type of emergency.

All the municipalities covered by the Biggar Rural District Fire Association are participating in the regional plan but the Plan will cover more than just fire.

Part of the process is to gather a list of resources that will be available in the event of an emergency. If you have equipment that you would be willing to provide please list it below and note if it will be available in the winter months: (Please check that your equipment is insured off your property; as there will be no compensation available for use or damages incurred.)

Type of Equipment:	Available in the Winter:
