

CANDO 2026 NEWSLETTER

2026 MILL RATES

Council has set the following mill rates and mill rate factors for the 2026 year:
CANDO TAXES:

Land, Residential & Commercial - 30 mills
Plus a \$100 minimum tax for vacant property

EDUCATION TAXES:

Agriculture - 1.07 mills
Residential - 4.27 mills
Commercial - Industrial & Railway - 6.37 mills
Commercial - Resource - 7.49 mills

****NEW!**** E-TRANSFERS & ELECTRONIC PAYMENTS

The RM of Rosemount can now accept payments through e-TRANSFER! Please use the email option only (no phone number) – rm378@sasktel.net – payments will autodeposit. Electronic payments through online banking with Credit Unions are also available. When making your payment use your “customer number” located on the top right of your tax notice. Please do not use the “#” symbol, as special characters are not accepted in the system. Please note this is not an e-Transfer; the RM will need to be set up as a payee under the payments heading. If you need assistance please call the RM office.

****COMING SOON**** E-NOTICES & E-RECEIPTS

If you would like to receive your 2027 tax notice and receipt electronically, please call or email the office and provide your current email address.

BUILDING PERMITS

Building permits are required for any new residential buildings, as well as for any renovations that changes the structure of a residence. Changes to the National Building Code came into effect in 2020 and onus is on the owner to inquire and obtain the proper permits for any new or modified construction. This includes any Ag building/shop or garage that contains sleeping quarters. All other farm buildings are still exempt. Newly constructed or modified decks also require a permit. Information on the building regulations and requirements are on the municipal website, along with the applicable permits.

CONTROLLED BURN REMINDER

Please remember that you must contact the Controlled Burn number before you do any burning.
*** 1-866-404-4911*** Check your insurance policy to make sure you are covered for fire call-out services, as rates have increased. You could be held responsible for the fire department responding to any false alarm or controlled burn if you have not notified the Call Centre.

NOTIFICATION LIST

The RM of Rosemount has a public information program that will allow the RM to send out mass notifications via text or email. Messages will provide information on spring road bans, road closures, fire bans, emergency situations or other information that may affect ratepayers. If you wish to be added to the notification list, and have not already provided your contact information, please contact the municipal office. You can also check out our website for public information and updates. www.rmrosemount.ca

"DUMP DAYS" & LANDFILL CLEAN-UP

The first, and possibly, annual "Dump Days" will be held in Cando on August 29th & 30th. A large Loraas bin and a metals/appliance bin will be located across from the Cando Community School for the weekend. Residents will be able to dispose of household items and metal; as per the detailed list mailed out to residents. Disposal of non-compliant items will result in higher charges for the service so please be mindful of what you are disposing of.

David Gamble will also be available to help with yard waste. If you need assistance with trees, shrubbery or garden materials please contact David directly to organize a time. (306)480-7991.

The former landfill is NOT to be used by ANYONE except David, unless the office has been contacted for prior approval.

When Cando became a Special Service Area of the RM of Rosemount 2005 it was a requirement that the landfill site be properly decommissioned. This process cost Cando residents a significant amount of tax dollars to complete. Unfortunately, people have continued to ignore the "Illegal Dumping: signage and the fence. The site now needs to be cleaned up again. Council was hoping to retain the profits from the sale of the Cando Hall for future assets or equipment purchases but the majority of this money has now been allocated to the landfill clean-up. The people disposing of house renovation materials, garbage, tires, appliances etc. are costing YOU money. If you see anyone disposing of anything other than clean lumber or trees please contact the office or David. Conservation Officers will be contacted and the guilty party will be charged.

DOG BYLAW

Dogs running at large continue to be a problem in Cando. If you are a dog owner, you are required to keep your dog on your property and leashed if off your property. Bylaw No. 4-2008 lists the infraction for a first offence at \$100 and \$250 for each additional infraction. Please be aware that the RM has been in contact with an appointed Municipal Enforcement Officer who will periodically be making rounds through Cando. If your dog is found running at large it may be impounded at the location of the officer's choice.

Dogs are also required to be licenced annually. Please contact the office to register your dog.
